FULL BOARD

Gourmet full board from our Maharishi Ayurveda Health Centre's own kitchen: € 60.00 per day. This includes the delicious Ayurvedic meals as well as all drinks, individualized to ensure optimal treatment success.

* In consultation with you, the attending physician may recommend additional or fewer therapies to optimize your therapy's success. Thus the total fee for the treatments can vary upwards or downwards.

INDIVIDUAL CARE

In this list of services, we have compiled a few sample treatment packages. Your own treatment plan, however, is always drawn up individually – according to your personal requirements and the recommendations of the doctor. For all stays of three days or more, the package includes the following doctors' services:

- Initial examination with pulse diagnosis
- Determining Dosha disturbances and composing a treatment plan
- Daily doctor's attendance
- For stays of five days or more, also a concluding consultation with your doctor.

If your stay is shorter, you can book these as additional services.

The listed treatments include additional measures such as warm towels, heat packs, and resting periods. These enhance the effectiveness and your pleasant experience of the treatment.

OUTSTANDING QUALITY IS OUR STANDARD

We do everything we can for your health. For example, we are always expanding our range of authentic Ayurvedic treatments. This will enable us to respond even more individually to your personal health situation.

The effectiveness of the high-quality oils and herbs we use is further enhanced considerably by elaborate preparation processes in accord with Ayurvedic tradition – sometimes especially for just one treatment.

Our therapists undergo extensive and continuing training to ensure the authenticity of our treatments according to Maharishi Ayurveda's highest quality standard.

By adhering to these principles, we have become Europe's leading private clinic for Ayurveda treatments. Seven out of ten guests are return guests or were recommended by our satisfied Ayurveda customers.

OUR COMMITMENT

- Full personal attention from our experienced doctors, Indian Ayurveda experts (Vaidyas), therapists, and the entire team.
- Best quality oils, medicated in our own oil kitchen using sophisticated procedures, individualized to enhance the success of your therapy.
- Continuing expansion and optimization of Ayurvedic therapies to further fine-tune treatments to your personal situation.
- Patient-oriented staff scheduling, so that your treatments are given at the best possible times, i.e. when they are most beneficial for you.
- Extended after-treatment resting in comfortable rooms within the therapy area, which adds to the effectiveness.
- Fresh and pure organic fruits and vegetables, the basis for delicious, Sattvic menus prepared by our own Ayurvedic kitchen.

We will be delighted to advise you personally.

After the cancellation period, we schedule your doctor's appointments, treatments and meals, and allocate staff. We can also gladly reserve a room for you in Häcker's Grand Hotel according to your preferences.

Through our partnership with Medipay, a financing company for health services, we can offer you the possibility to pay for your Ayurveda cure in convenient and reasonable installments. Very useful if you want to keep some financial leeway. Please ask us for more information about this option.
